# How to take care of your chihuahua

In order to take care of your chihuahua, you must follow my directions. First, you must always \_\_\_\_\_  
your Chihuahua. You must give them only the amount of food that your vet recommends. 3/4 a cup of dry food  
\_\_\_\_\_ times a day, is a good amount. You must remember to give your chihuahua a lot of water. They  
get very thirsty, especially when it is \_\_\_\_\_ degrees outside.

Next, you must bathe your chihuahua. They need to be shampooed with special doggie deoderant shampoo.

Then you need to cut their nails. Chihuahuas \_\_\_\_\_ to have their nails clipped.

You must \_\_\_\_\_ them down and \_\_\_\_\_ them quickly. Be \_\_\_\_\_, they may  
\_\_\_\_\_!

And finally, you must love and handle your chihuahua with care. Chihuahuas love to be cuddled and  
\_\_\_\_\_. They also love to burrow under the covers with you.

That is how to \_\_\_\_\_ care of a chihuahua. If you do those things, they will be your loyal \_\_\_\_\_  
forever.
