Visiting Women and Women 1st Bookstore

One day Lena _____ Verb - Past Tense to the newest branch of the Women and Women First Bookstore in _____ City. As she _____ Verb - Past Tense in she realized there bookstore smelled like fermented _____ plant root. "MMM" Lena proclaimed. The two owners of the bookstore introduced themselves as _____ Name of Person in Room and _____ Name of Person in Room. Lena found the source of the amazing smell was a cup of _____ liquid. As she pointed to ask what it was _____ Name of Person in Room coldly asked "Can you put that away? Every time you point I see a _____ Noun." Lena stopped pointing and told the owners all about the great class, anthropology of _____ Noun, that she took. "That sounds like a brag story and I bet _____ Number homemade pads that it only talked about 1st wave feminism" said _____ Name of Person in Room coolly. After that Lena quickly decided to leave the store but only after she first bought some _____ vegetable infused tea bags. As she left Lena thought to herself, "This store would have been much better if it was run by anthropologists."
