# English in 8A1

One day there was an \_\_\_\_\_ class at Nguyen Sieu School. They always \_\_\_\_\_ and learned lots of \_\_\_\_\_ in their classes. They had one teacher for their \_\_\_\_\_ class for a few months but then a \_\_\_\_\_ disaster struck and he was taken away back to \_\_\_\_\_. A couple more teachers came and went, but finally, a teacher from \_\_\_\_\_ came and stayed with them the whole rest of the \_\_\_\_\_. She wasn't very \_\_\_\_\_ at first, but as time went \_\_\_\_\_, she and the \_\_\_\_\_ got to understand each other better and made some \_\_\_\_\_. Class 8A1 was still \_\_\_\_\_, but they were able to learn and get \_\_\_\_\_ when they wanted to. The teacher got to \_\_\_\_\_ the class and saw the \_\_\_\_\_ in each student. She hopes they will \_\_\_\_\_ hard to keep \_\_\_\_\_ and become who they want to \_\_\_\_\_!
