## **English in 8A1**

One day there was an <u>Adjective</u> class at Nguyen Sieu School. They always <u>Verb - Past Tense</u> and		
learned lots of <u>Noun - Plural</u> in their classes. They had one teacher for their <u>Adjective</u> class for a		
few months but then a		
couple more teachers came and went, but finally, a teacher from <u>Location</u> came and stayed with them the		
whole rest of the <u>Year</u> . She wasn't very <u>Adjective</u> at first, but as time went <u>Verb - Base</u>		
Form, she and the got to understand each other better and made some		
Class 8A1 was still, but they were able to learn and get Verb - Past Participle when they		
wanted to. The teacher got to verb the class and saw the Adjective in each student. She hopes		
they will hard to keep Verb - Present Tense and become who they want to Verb _ !
