## Just Keep Swimming...

First, our wedding <u>verb-Past Tense</u> themed in colors. More pictures will be posted of DIY wedding crafts, so you will see all of the colors we used. It first started with the wedding invitations. I wanted a square invitation (Big ol' mistake, because of postage issues). Once I made the invitations 6.5 x 6.5 I knew I wanted to put the RSVP on the insides of the invitations. So I <u>Verb-Past Tense</u> them accordingly to fit inside. I wanted dark purple in my wedding, and not a bright-ish purple. I searched <u>Preposition or subardinating conjunction</u> a few places for scrapbook paper, and I found this purple. Then, we bought cream cardstock. My <u>Noun</u> and I decided on our wording, then Troy typed it up on a computer to fit the size of the cardstock we needed. Then, <u>Pronoun</u> printed it off and cut them. Glued them together and viola!
