I am back

I am feeling much Adjective. It is great to come back to work, even on a Adjective day. I took stock of my situation, since I do not have Noun or a Noun. I do not have active Noun or dead Noun for that matter for me to be Adjective. Something has affected my Part of Body, but I will still keep a distance this week.

Sometime I wonder if it is worth going on a vacation. We had a pleasant surprise with the Noun. The water Noun of our Noun for some inexplicable reason had taken upon itself to Verb - Base Form open while we were away. They estimate it may have been for 10 days. So we came to a mini Noun in the Noun with things floating. It is estimated that it will take 2-3 months for it to be cleaned and rebuilt. The silver lining in this which I was desperately looking for is that First Name of a Person is in town all of June. So much for that!
