Hetalia the Word Lib: Who is the best country?

On the of the World Summit, _____Country_____ got up to find that _____Country_____ had filled his house with tomatoes. The normal reaction would be to yell at little _____Country_____ but _____Country_____ who loves tomatoes jumped for joy. That was until _____Country_____ walked in and made him clean all the tomatoes up.

_____Country_____ who was watching crept up behind _____Country_____ and hit him in the head with a frying pan.

_____Country_____ who is drawn to violence, challenged _____Country_____ to a duel. _____Country_____ joined, and beat everyone in a race to _____Country_____. _____Country_____ was angry so he tried to put a spell on _____Country_____ but it missed and hit _____Country_____ and _____Country_____ which caused them to switch bodies. _____Country_____ refused to join because he was to busy painting _____Country_____ pink. _____Country_____ and _____Country_____ were at _____Country_____ house at the time and were both run over by her cow who was trying to find _____Country_____.

_____Country_____ was flying above _____Country_____. Of course _____Country_____ was making Pasta.

_____Country_____ sat quietly with _____Country_____. They were both wondering why all the other countries were running around like lunatics. _____Country_____ was all alone because _____Country_____ was out shopping for Christmas presents. _____Country_____ tried to cheer him up by juggling _____Country_____ and _____Country_____ but it had no effect. _____Country_____ and _____Country_____ were in the kitchen when _____Country_____ walked up to them and insisted that he had invented kitchens. _____Country_____ and Hong-Kong rolled their eyes and continued playing with fire crackers and Pandas. Germany was still at his house refusing to come out until he had drank a whole gallon of beer. Now Australia and Wy saw the commotion and decided it best to stay at home. All of the countries were now turning pink and green and polka dotted. Switzerland came out and told them "HEY! SHUT UP

OR I'LL BEAT YOU WITH MY PEACE PRIZE!"; Switzerland was then turned into a Rabbit by England. It seems like the only one left standing is Liechtenstein! THis is why Liechtenstein is truly the best country ever.
