# Hetalia the Word Lib: Who is the best country?

On the of the World Summit, \_\_\_\_\_ Country \_\_\_\_\_ got up to find that \_\_\_\_\_ Country \_\_\_\_\_ had filled his house with tomatoes. The normal reaction would be to yell at little \_\_\_\_\_ Country \_\_\_\_\_ but \_\_\_\_\_ Country \_\_\_\_\_ who loves tomatoes jumped for joy. That was until \_\_\_\_\_ Country \_\_\_\_\_ walked in and made him clean all the tomatoes up.

\_\_\_\_\_ Country \_\_\_\_\_ who was watching crept up behind \_\_\_\_\_ Country \_\_\_\_\_ and hit him in the head with a frying pan.

\_\_\_\_\_ Country \_\_\_\_\_ who is drawn to violence, challenged \_\_\_\_\_ Country \_\_\_\_\_ to a duel. \_\_\_\_\_ Country \_\_\_\_\_ joined, and beat everyone in a race to \_\_\_\_\_ Country \_\_\_\_\_. \_\_\_\_\_ Country \_\_\_\_\_ was angry so he tried to put a spell on \_\_\_\_\_ Country \_\_\_\_\_ but it missed and hit \_\_\_\_\_ Country \_\_\_\_\_ and \_\_\_\_\_ Country \_\_\_\_\_ which caused them to switch bodies. \_\_\_\_\_ Country \_\_\_\_\_ refused to join because he was to busy painting \_\_\_\_\_ Country \_\_\_\_\_ pink. \_\_\_\_\_ Country \_\_\_\_\_ and \_\_\_\_\_ Country \_\_\_\_\_ were at \_\_\_\_\_ Country \_\_\_\_\_ house at the time and were both run over by her cow who was trying to find \_\_\_\_\_ Country \_\_\_\_\_. \_\_\_\_\_ Country \_\_\_\_\_ was flying above \_\_\_\_\_ Country \_\_\_\_\_. Of course \_\_\_\_\_ Country \_\_\_\_\_ was making Pasta.

\_\_\_\_\_ Country \_\_\_\_\_ sat quietly with \_\_\_\_\_ Country \_\_\_\_\_. They were both wondering why all the other countries were running around like lunatics. \_\_\_\_\_ Country \_\_\_\_\_ was all alone because \_\_\_\_\_ Country \_\_\_\_\_ was out shopping for Christmas presents. \_\_\_\_\_ Country \_\_\_\_\_ tried to cheer him up by juggling \_\_\_\_\_ Country \_\_\_\_\_ and \_\_\_\_\_ Country \_\_\_\_\_ but it had no effect. \_\_\_\_\_ Country \_\_\_\_\_ and \_\_\_\_\_ Country \_\_\_\_\_ were in the kitchen when \_\_\_\_\_ Country \_\_\_\_\_ walked up to them and insisted that he had invented kitchens. \_\_\_\_\_ Country \_\_\_\_\_ and Hong-Kong rolled their eyes and continued playing with fire crackers and Pandas. Germany was still at his house refusing to come out until he had drank a whole gallon of beer. Now Australia and Wy saw the commotion and decided it best to stay at home. All of the countries were now turning pink and green and polka dotted. Switzerland came out and told them "HEY! SHUT UP

OR I'LL BEAT YOU WITH MY PEACE PRIZE!"; Switzerland was then turned into a Rabbit by England. It seems like the only one left standing is Liechtenstein! THis is why Liechtenstein is truly the best country ever.
