# Random

After \_\_\_\_\_  
Noun, I headed to my \_\_\_\_\_  
Noun to get to work for the day. I did a couple of hours of  
blogging/writing/email before the Internet stopped working. Our service randomly goes out from time-to-time,  
but it usually starts back up in an hour or two. It's annoying, but no big deal. I had some \_\_\_\_\_  
Noun - Plural to  
do, so I \_\_\_\_\_  
Verb - Past Tense to run them while I waited for the internet to start working again.
