Wag's Year One

Jim Wagner's first year at ALHS has been very Adjective for . He started the year by banning Noun, bra straps, and short Noun. His next bold move was to Verb - Base Form in front of every person who would buy a ticket and man oh man that was that a Noun. Believe it or not he won!

Much to our surprise, however, he later admitted that the wrestling was Adjective. He taught a lesson about genetics in front of us and described his very large and Adjective families genetic history with us.

We were all truly Verb - Past Tense. Next year Wags is hoping that all kids will carry clear or mesh Noun - Plural. I guess we will see about that. When interviewed for this madlib Mr. Wagner had this to say about the school year. "Well that was Adjective. I guess it is what it is."
