Hello First Name of a Person

Yes, I DID receive the Adjective Noun you sent me. It is so Adjective, I have it displayed on my Adjective Noun so all my Noun - Plural can see it. It is definitely the Adjective - Ends in EST swap I have ever received. Even the Noun you sent it in is Adjective.

I am Adverb sorry that I haven't rated you yet. I go to the Adjective post office only once every Number durations of time, and then when I get home, I put the Adjective packages aside on my Adjective Noun to rate them later. And then sometimes they get buried under Adjective Noun - Plural. Or I forget to rate because my memory is Adjective, from when I was in that Adjective accident with the Noun. Or my Adjective Animal lays on the Adjective mail and I don't see it. Or my Adjective relative moves my mail to the Noun in the room. Or my medical condition flares up and then it's hard for me to Verb - Base Form a Adjective comment. Sometimes, I Adverb leave my mail in my Adjective means of transportation and my swap partners' Noun - Plural go riding around Location for Number durations of time. haha

Well, I would go and rate you now, but I have used up all my Adjective computer time writing this Adjective

message. And I have to go join _____^{Number} more _____^{Noun} swaps that I won't rate until
_____^{future year}.

Thanks again for the _____^{Adjective} swap. You're a _____^{Adjective} _____^{Noun}.
