Mad Libs: Shelby's Bachlorette Edition

When Shelby first asked me to be her bridesmaid, I <u>Verb - Past Tense</u> and shouted <u>Noun</u> . I knew
Jon was the man for Shelby when he told me she had a great <u>Noun</u> and was <u>Adverb</u>
From the moment Shelby and Jon met, all she could do was tell me about Jon's
Plural She told me how he was,
happy just to with him!
My best advice for Shelby and Jon: Don't forget to <u>Noun</u> before you <u>Noun</u> . Shelby, you should
always <u>Verb - Base Form</u> Jon's <u>Noun - Plural</u> . And Jon better make sure to <u>Verb - Base Form</u> the
Noun From your first night until forever, I wish you, and
!
