# Butt

One day I went to the park and I ran into my \_\_\_\_\_ Noun Hudson and we went on the \_\_\_\_\_ Noun bars and we saw a little thing it looked Harry and grouse so we ran. we ran into a wall and when I woke up I saw a old lady she had a big nose and she put a dinosaur up my nose and she said all I can see is \_\_\_\_\_ Noun. The next day she shoved a dinosaur up my butt and she said all I can see is poo. I went home and said it was pee.
