The girl with long hair

Once there was a Adjective girl named First Name of a Person. had Adjective Adjective hair that was Adjective Conjunction Adjective. All the girls at her school were jealous of her hair, and one day another girl Verb - Past Tense Noun at the first name given and burnt off all her hair! Now the first name given was Adjective and emotion. Her head was Adjective and Adjective! the first name given was going to have her revenge on the other girl, whose name is First Name of a Person. the first name given followed second name given home and waited for her to go to bed. the first name given snuck in and poured slime in second name given hair. Then she tied it in a bunch of Adjective knots. Then the first name given had a sudden headache from the acid that was poured on her head. She fell down and passed out, and when she woke up she felt Adjective and Adjective. She went to look in the mirror and saw that her head had grown Number times its normal size! the first name given looked around and made sure she didn't leave any tracks, then went home and went to bed. When she woke up she heard her mom talking. What? she asked her mom. Her mom said she didn't say anything, but the first name given said no... you said something about dad's bald spot! Her mom ran into her room and asked the first name given how she heard that because she never said it out loud. the first name given then understood that she had Adjective powers! the first name given told her mom that she just guessed and got it right, for she didn't want anyone to know about her secret. She went to school and started listening to everyone's thoughts. A lot of people were thinking of her baldness and this made her Adjective. So she started throwing Adjective

Noun

at all the people who thought _____ Adverb of her. They all _____ Verb - Past Tense and quickly ran away.
