## **About Taylor Swift**

Hi, I'm Taylor. I	Love or Hate	the number	Number	I was born in	Month	on a Christmas

I'm easily excited, thr	illed, scared, a	and shocked. I'm	Number	now, but I	never stopped	d jumping up and
down when somethin	g <u>Adjective</u>	happens. M	Iy <u>Adjecti</u>	ve - Ends in EST	_ fear is gettin	ng

I go into a trance whe	en I'm in an	Noun store	e. I don't like	e it when somet	hing or some	one turns out to be
different than what yo	ou originally th	nought. Like whe	en you're	Verb - Present ends i	in ING and	l you find a really
Adjective	Shirt or Dress	, only to realize	e it's actually	/ aAdjective	jumpsui	t situation. But I
mostly don't like it w	hen it happens	with Noun - P	Plural I le	ove my	oun - Plural 2	and I'm always
making						

Adjective O	ones. I don't re	eally think you	ı can ever sto	op making nev	W Noun - Plu	or learn	ing about
as many new thing	s as possible.	I also don't th	ink you shou	ıld ever take l	ife so seriously	y that you forge	to play.
Music has taken me	e all over the	world, but the	Noun - Pl	ural are t	he reason it's b	een soAdje	ctive .
I'm so blown away	by how	Adjective	they are to m	e. It's	jective to fe	eel so understoo	d by such
a Adjective	group of	Noun - Plural	, but I	Love or Hate	it. For the l	ast Number	years,
I've been	- Present ends in ING	on an a	lbum called _	Color	I called it the	at because of the	e
Adjective ,	Adjective	adventure	es in love and	l loss that it c	hronicles. In m	ny mind, when y	ou
