## how they met

Once upon a time, there was a(n) Adjective girl named Kara. She was Adjective (ing) in class one day when a adjective boy named Nathan verb (-ed) over to her and said exclamation! He immediately fell in love with her adjective bodypart. He stared at her bodypart for number minutes. Then Nathan asked Kara out on a date.

Nathan arrived at the door smelling of a smell and holding a noun. At dinner, Kara ordered adjective food and

Nathan had a color type of alcohol. That night she knew he was the one she would someday verb down the aisle with.
