DragonCraft

Once upon a time in the far off land of _____ Location _____ there lived a happy flying _____ Same Animal _____ who loved adventure. She loved flying through the worlds of beautiful blocks looking at others amazing creations. _____ Adjective _____ castles, _____ Adjective _____ sailing vessels and mass tracts of farming land were just some of the worlds she spent her time exploring. One day, she decided to play the game for survival and go on a _____ Adjective _____ adventure!

Indeed, she had done so much sightseeing that she was good at navigations; but, she seriously lacked other necessary survival skills. After a few attempts at the game, she failed miserably and got really discouraged. Her friend, the minion, challenged her to attend a survival training camp. She _____ Adjective _____ accepted her friends challenge and enlisted the help of her _____ a parent or guardian _____ to help with her daily practice.

The happy flying _____ Same Animal _____ attended training sessions on everything from fire breathing to strategic maneuvering. She met a super helpful training guard who protected the knowledge and guided her to the right training sessions.

Wow did her time at survival training camp pay off. In no time at all, she was slaying _____ Creature _____, growing her own _____ Noun _____ and even conquering the famed _____ Noun - Plural _____.

Moral

to the story: When you get start playing the game of English B, come to Training Camp (Class Connects, Composition Conferences and Study Event) where you can attend skill building sessions that will help you master the game of English B!
