Smoke Detectors

Last night I heard one of the smoke detectors beep and it took me _____ Adjective _____ to find which room it was in!

Later today, my dad _____ Verb - Present ends in S _____ the battery and finds out that the smoke detector still goes off

even with a new battery! It turns out that the smoke detector was _____ Adjective _____ and I asked my dad, "Why

don't we test our smoke detectors?" He replied, "Because we're _____ Adjective _____ people..." After he took the

_____ Adjective _____ smoke detector down, I made him test all the other ones because I wanted to but I was a few

_____ Adjective _____ too short! My dad tested all of them and _____ Adjective _____ the alarm went off! Several minutes

later when the smoke detectors finally stopped _____ Adjective _____ their alarm, one of the smoke detectors started

beeping as if it needed a new battery too! After my dad _____ Verb - Past Tense _____ the battery he said it was fine and

suddenly another one started beeping! After checking it he said, "Maybe if we stop _____ Verb - Present ends in ING _____

the smoke detectors they might stop _____ Verb - Present ends in ING _____." To my surprise they actually stopped

_____ Verb - Present ends in ING _____! So it turns out that we _____
