# Divergent

After the \_\_\_\_\_<sup>Noun</sup> test yesterday, today is the \_\_\_\_\_<sup>Proper Noun</sup> Ceremony where the \_\_\_\_\_<sup>Adjective</sup> olds actually get to \_\_\_\_\_<sup>Verb</sup> their faction. (The \_\_\_\_\_<sup>Noun</sup> is held at the Hub, which we used to call Sears Tower, though now it's called Willis Tower, which is probably what brought on the \_\_\_\_\_<sup>Noun</sup> that led to Beatrice's world.)

And just to \_\_\_\_\_<sup>Pronoun</sup> us what Abnegation is all about, all the \_\_\_\_\_<sup>Noun</sup> folk take the stairs so that \_\_\_\_\_<sup>Modal</sup> can take the elevator.
