The Great Bikeshedding of Puppet Labs

Twice the night before PE release, and all through Puppet Labs was a great _____^{Noun} about how to improve the _____^{Noun}. _____^{Proper Noun} decided that if you tweaked the _____^{Noun} script it would run faster, but _____^{Proper Noun} was like you should just _____^{Verb} it and ship it, and then _____^{Proper Noun} came up with a new idea to _____^{Verb}. Finally there was a vote to decide. _____^{Number} people voted to _____^{Verb}, _____^{Number} people decided to _____^{Verb - Base Form} on hipchat, and nothing really happened.
