One Piece at a Time

"One Piece At A Time"

Well, I left _____ State back in _____ Number

An' went to _____ City or Town workin' on a 'sembly line

The first year they had me puttin' _____ Noun - Plural on cadillacs

Every day I'd watch them _____ Proper Noun roll by

And sometimes I'd hang my _____ Part of Body and cry

'Cause I always wanted me one that was long and _____ Color.

One day I devised myself a _____ Noun

That should be the _____ Noun of most any man

I'd _____ Verb - Base Form it out of there in a _____ Noun in my _____ Part of Body

Now gettin' caught meant gettin' _____ Verb - Past Tense

But I figured I'd have it all by the time I _____ Verb - Past Tense

I'd have me a _____ Noun worth at least _____ Number grand.

[CHORUS]

I'd get it number A piece at a time

And it wouldn't cost me a coin

You'll know it's me when I come through your Location b

I'm gonna Verb c around in style

I'm gonna drive everybody adjective d

'Cause I'll have the only one there is around.

So the very next Period of time when I punched in

With my big Noun and with help from my friends

I left that day with a lunch box full of Noun - Plural

Now, I never considered myself a Noun

But Company name wouldn't miss just one Adjective piece

Especially if I strung it out over several Period of time Plural.

The first day I got me a fuel Noun

And the next day I got me an engine and a Noun

Then I got me a Noun and all of the chrome

The Adjective things I could get in my big Noun

Like

nuts, an' bolts, and all _____ Number shocks

But the big stuff we snuck out in my buddy's _____ type of vehicle.

Now, up to now my plan went all right

'Til we tried to put it all together one night

And that's when we noticed that something was _____ Adverb _____ Adjective.

The _____ Noun was a '53

And the motor turned out to be a '73

And when we tried to put in the bolts all the _____ Noun - Plural were gone.

So we drilled it out so that it would fit

And with a little bit of help with an A-daptor kit

We had that engine _____ Verb - Present ends in ING just like a song

Now the headlight' was another sight

We had two on the left and one on the right

But when we pulled out the _____ Noun all _____ Number of 'em come on.

The _____ Adjective end looked kinda funny too

But

we put it together and when we got thru

Well, that's when we noticed that we only had one tail Noun

About that time my Relative walked out

And I could see in her Part of body Plural that she had her doubts

But she opened the door and said "Honey, take me for a Verb - Base Form."

So we drove up town just to get the Noun - Plural

And I headed her right on down main drag

I could hear everybody Verb - Present ends in ING for blocks around

But up there at the court Type of building they didn't laugh

'Cause to type it up it took the whole staff

And when they got through the title weighed Number Unit of weight Plural.

[CHORUS]

I got it number A piece at a time

And it didn't cost me a number A

You'll know it's me when I come through your Location b

I'm gonna Verb c around in style

I'm gonna drive everybody adjective d

'Cause

I'll have the only one there is around.

[Spoken] Ugh! Yow, _____ Color RYDER

This is the COTTON _____ Part of Body

In the PSYCHO-BILLY CADILLAC Come on

Huh, This is the COTTON MOUTH

And negatory on the cost of this mow-chine there RED RYDER

You might say I went right up to the _____ Noun

And picked it up, it's cheaper that way
