they may play with your toys and pretend there chew $\qquad$
or even pretend there fire hydrants
but when mom gets home
they love to

so when your mom comes home and decides to check on you
she comes to your room and sees a
mess mess MESS
she does not see you
but she thinks it was you
and never knows it was the dog
everyday she sees your room
and every day you say it was the dog did that and every day the dog has to "run run RUN.
