You know what I hate? \_\_\_\_\_<sup>What you hate</sup>! They just sit around and \_\_\_\_\_<sup>What they do</sup> without even thinking about how it'll affect others. It's not even just that but half the time it's for no reason what so ever. \_\_\_\_\_<sup>What</sup> \_\_\_\_\_<sup>you hate -same</sup> seriously tick me off! They act so \_\_\_\_\_<sup>How do they act</sup> like if we actually cared. If you don't care about us then we won't care about you. \_\_\_\_\_<sup>What you hate -same</sup> man... \_\_\_\_\_<sup>What you hate -same</sup>.
