You know what I hate? _____^{What you hate}! They just sit around and _____^{What they do} without even thinking about how it'll affect others. It's not even just that but half the time it's for no reason what so ever. _____^{What} _____^{you hate -same} seriously tick me off! They act so _____^{How do they act} like if we actually cared. If you don't care about us then we won't care about you. _____^{What you hate -same} man... _____^{What you hate -same}.
