A Day At M2

Here in M2, things can get awfully interesting. Sometimes we have students who get angry and argue with each other. When this Verb - 3rd Person Singular Present, our cool teacher Mr. Farren has to step in and help us resolve anything from our Adjective silly little issues, to our Adjective - Comparative more perilous Noun - Plural. But there are other times when we have free time, and we can do a lot of fun things. We can go on the computers and play games, or we can play the Noun, Adverb we even get to do construction on our sound booth. Although, we tend to think it Verb - 3rd Person Singular Present when we have to do some boring school work before we get free time. Our classwork can get slightly Adjective at times, but I guess it's not too bad, because we have great help. That's a bit how things are here in M2, I guess you could say I have a Adjective time.
