Jesse's Story

Jesse was a Adjective teacher who had Adjective dreams. She was going to Verb the Noun one third grader at a time. But then the unthinkable happened. She found out she was Adjective and now she would have to put her dream of becoming Noun of the year on hold!!

She was Adjective, of course, but she knew that her main priority would need to be her new Noun. She did what every Adjective teacher would do. She turned to her Adjective mentor Michelle. Michelle gave her the Adjective - Superlative advice ever! She told Jesse to follow her Noun and everything would be fine!! She also taught Jesse the correct pronunciation of the word Poem.
