# I scream, You Scream, We All Scream for iScorps

Once upon a time, CCP decided to gift a large \_\_\_\_\_ Noun of to SOMERBlink as a thank you for all their hard \_\_\_\_\_ Noun in the \_\_\_\_\_ Noun. There was just one small problem with this: instead of giving these very \_\_\_\_\_ Adjective ships to Blink (who does indeed do a lot for our community), they did it in secret.

And what is a secret? It is "a piece of \_\_\_\_\_ Noun that is known by only a small number of \_\_\_\_\_ Noun - Plural, and is deliberately not told to other people." This is never a good idea when you are running a \_\_\_\_\_ Noun game. One, people will find out. Two, people will get \_\_\_\_\_ Adjective.

There was much \_\_\_\_\_ Noun and fury from the community over the entire situation, which they voiced on forums, \_\_\_\_\_ Noun - Plural and other social media sites. To an onlooker, it looked like a useless pile of \_\_\_\_\_ Noun a bunch of people fighting over a dumb \_\_\_\_\_ Noun with a moderate bonus to ECM. To the ones \_\_\_\_\_ Verb - Present Tense their opinions, it was a matter of \_\_\_\_\_ Noun - Plural, \_\_\_\_\_ Noun - Plural and \_\_\_\_\_ Noun. The fighting continued for days with no resolution. Everyone thought they were \_\_\_\_\_ Adverb.

They resorted to name-calling and personal \_\_\_\_\_ Noun - Plural using very public mediums. It stopped being about who was \_\_\_\_\_ Adverb and became who was \_\_\_\_\_ Adjective.

Eventually, it got so \_\_\_\_\_ Adjective that everyone unsubbed to go play \_\_\_\_\_ Proper Noun just so they wouldn't have to hear about it anymore. They all became death \_\_\_\_\_ Noun - Plural and \_\_\_\_\_ Noun - Plural and spent

all their time \_\_\_\_\_ Verb - Present Tense \_\_\_\_\_ instead of flying spaceships.

Then everyone died. The end.
