Lazy Giants

Once upon a time there was a giant who lived in the He loved to eat and
Proper Noun - Plural . He lived in a cave deep in the woods. One day he saw another giant across the lake
from his cave. He had never seen another giant before and so he was both and
He could not swim so he decided to walk around the lake to the other side so that he could
investigate the other It took him nearly an hour to walk around the lake because the lake was
very Once he got to the other he discovered that the giant had disappeared. As
he looked back to his own cave he saw the other giant standing there. The other giant had also seen him and had
decided to around the lake as well but had gone the other way so they completely missed
each other as the to where the other lived. Since giants are rather lazy, they both just
decided to stay at their new locations and both lived ever after.
