# Old people and electronics...

Once upon a time not too long First Name of a Person. There was an old man named Bill age 62, (he was an older fellow) Bill had finally gotten a Noun that he's

wanted all of his life. The First Name of a Person was he didn't know Adverb to set it up! After messing around with the cords, First Name of a Person

finally hooked the First Name of a Person up and placed things where Verb - Past Participle were supposed to be placed. Another problem occurred, he didn't know where the Power button was to turn the Proper Noun on.
