# 1960s

Dear 1960s,

I remember like it were yesterday. Everyone in their                      Determiner dye shirts and bell                      Noun jeans.

Listening to The                      Proper Noun and Jimi                      Proper Noun. Watching Star                      Proper Noun and

                     Proper Noun                      Proper Noun. Living through the Civil                      Proper Noun - Plural Movement and the

                     Proper Noun War.
