# My Funeral Speech

Just \_\_\_\_\_ Number days ago, my life fell \_\_\_\_\_ Adjective. My Grandma \_\_\_\_\_ persons name died a  
\_\_\_\_\_ Adjective death at the age of \_\_\_\_\_ Number. This was my speech I wrote by myself and it took me  
\_\_\_\_\_ Number hours to get it \_\_\_\_\_ right or wrong. There were \_\_\_\_\_ Number people at the funeral so I was  
very \_\_\_\_\_ Adjective.

Title: My Funeral Speech.

\_\_\_\_\_ Adjective afternoon everyone. My Grandma was a \_\_\_\_\_ Adjective person. She grew up in  
\_\_\_\_\_ country with \_\_\_\_\_ Number brothers and sisters. She helped take care of me when I was in  
\_\_\_\_\_ plural clothing, she rocked me in her \_\_\_\_\_ plural body part to the tune of \_\_\_\_\_ any song, played jump-  
\_\_\_\_\_ Noun with me, watched me \_\_\_\_\_ verb, took me to \_\_\_\_\_ random place and even bought me a  
\_\_\_\_\_ Animal one \_\_\_\_\_ holiday. She always told me I was \_\_\_\_\_ Adjective and that I was her number  
\_\_\_\_\_ Number. When I was \_\_\_\_\_ Number, like any kid, I thought \_\_\_\_\_ plural being - angels vampires clowns gypsies etc  
were under my \_\_\_\_\_ Noun and she always told me that at night there were \_\_\_\_\_ plural being - angels vampires  
\_\_\_\_\_ clowns gypsies etc that would swoop down and kiss my \_\_\_\_\_ single part of body and she said there is nothing to be  
\_\_\_\_\_ Adjective about. She had a passion for \_\_\_\_\_ verb ending in ING, loved \_\_\_\_\_ plural food, had a fetish for  
\_\_\_\_\_ Noun - Plural but she was deathly afraid of \_\_\_\_\_ Animal (plural) and \_\_\_\_\_ Noun - Plural. However, she  
was the kind of \_\_\_\_\_ man or woman that would do anything for me, she would \_\_\_\_\_ verb for me, as she  
once told me. In \_\_\_\_\_ Year she became a successful \_\_\_\_\_ occupation and married my \_\_\_\_\_ family  
\_\_\_\_\_ member - dad brother Homer. Together they had \_\_\_\_\_ Number \_\_\_\_\_ Adjective children. She gave me a special  
gift

one time and told me to hold it close to my \_\_\_\_\_  
single part of body\_\_\_\_\_, it was an ancient \_\_\_\_\_  
Noun\_\_\_\_\_ from when she was a kid and I will never let go of it. When we got a call that she fell off a \_\_\_\_\_  
Noun\_\_\_\_\_, I dropped to the floor and \_\_\_\_\_  
verb ending in ED\_\_\_\_\_ for hours. I even threw my \_\_\_\_\_  
Noun\_\_\_\_\_ out the window! I will always have a picture of her in my \_\_\_\_\_  
organ of body\_\_\_\_\_. She was \_\_\_\_\_  
Adjective\_\_\_\_\_ and she truly touched the lives of those she \_\_\_\_\_  
verb ending in ED\_\_\_\_\_. I will miss her \_\_\_\_\_  
Adverb\_\_\_\_\_. Thank you!
