4. Animal
5. Disease
6. Verb - Base Form
7. Noun

Trippy

All the other _____ Noun - Plural with their _____ Adverb and _____ Part of Body run faster than my hefty gun
on long ass legs mankini flying overhead torn in its moobs. _____ Animal with _____ Disease
_____ Verb - Base Form at their _____ Noun and bruise the embryo. Impossible means nothing as much as
anything else is because the truth is always miles away the truth is butterflies caught in a breezy storm is always
out of reach. Romance the gate where the tiger stops and smile for the cookies they lay down in rows like
forgotten skeletons in the man clapper waiting for the conveyor belt to take them fifteen feet under.
