idk bye

I can see the in the local, 'Woman with two dies alone in				
Noun - Plural My hope is when the Noun - Plural arrive to collect the body they don't look at the				
The damp stain I have been staring at for the last two days looks just like a map of				
with the Noun.				
What me off is that unless you can lay claim to one of the fashionable asymptomatic Mexican				
Noun - Plural flu viruses nobody is prepared to believe you're really ill. A heavy cold they say! Ha,				
say! Had one of those last year. Overrated.				
But my cold is the king emperor of viral pneumonia with somatic complications at the very				
least - and it quickly blossomed into a phlegm-fest bringing with it a of rare beauty				
Noun the Noun of catarrh, the music of mucus, the slither of sputum. And is there a more				
wondrously onomatopoeic word in the language than? With its cluster of slimy				
Plural and its brilliant g, phlegm sings of ill-health coordinating conjunction possibly				
slow death. In the unlikely event I am spared and get better I will incorporate it into a poem				
set to music as a pop chart topper maybe. Wonder what rhymes with phlegm? Meyhem?				

I can't get up but on the other hand can't sleep, just	lie here with these thoughts and only Franklin and
Robespierre for company, contemplating suicide bu	ut without the get-up-and-go to top myself. The two
Noun - Plural - F and R - though Verb	it is all warm and wonderful, snuggled in each side of me,
but if I linger onPreposition or subordinating conjunction	the weekend the cat food will out and it
will be different story.
