

Dad

1. Adverb
2. Noun
3. Verb - Base Form
4. Adjective
5. Noun - Plural

Dad

This is just a Adverb to see how this Noun works. Trying to think of a unique 'to do' on Christmas with dad and family. He's always so Verb - Base Form, and we aren't so much. I want to make a fun memorable Christmas for him as he Adjective does for us kids, even though we're Noun -
Plural now :)
