How to make a Word Blank

Word Blanks is a online version of Mad Libs. It allows you to create your own Noun
and the blanks wherever you want! You can also your story with
on social media or print it off!
To begin go to www. Noun - Plural .com. Once there, you can Verb - Base Form an account or just
click on the that says "Create your own with our Word Blank creator!" This will take you to a
large empty box where you can begin
anything you want, like cats, creepy noun - Plural or your Adjective mother! Just
make sure it's appropriate! When your finished typing just add a title and genre then click continue! This will
take you to another page to select the Noun-Plural you want blanked out. You do so by simply
on them. When you're finished you click on "Done" and Voila! You have created
your very own Word Blank!
