# Our Giant Discovery

One \_\_\_\_\_ day my friends and I stumbled upon a \_\_\_\_\_ discovery in the \_\_\_\_\_ ground. It was the remains of a 10 foot \_\_\_\_\_ Giant! We were \_\_\_\_\_ digging for rocks and came across this \_\_\_\_\_ frightening and freakishly \_\_\_\_\_ monster. His eyes were \_\_\_\_\_ and his features were \_\_\_\_\_ times the size of a regular human! Feeling overwhelmed we decided to shovel the \_\_\_\_\_ dirt back on to his body and wait for him to be found by someone else.
