# My Odd Family

My last name is made up word. Yeah, I know, weird name. But it's not just the name.... it's the family. The whole family, all the way from my baby relative, all the way to my Great, Adjective Grandpappy Joe. Here's a little bit about them.

First Name of a Person: That's my mom. She has color hair, brown eyes, and lots of freckles on her Part of Body. She's half ethnicity. She is a horrible cook, but she cooks for us every night, nevertheless. I've eaten raw food plural, burnt cassarole, and watery food plural. It's gross. She also tries to be cool, by flipping a pancake in the air. When it falls on my Part of Body, she laughs like a Animal and jumps up and down. Crazy lady.

First Name of a Person: My dad is a preacher. It's Adjective! Not because he's a preacher, but because everyone in town knows about how Adjective of a preacher he is. Every Sunday, he'll hop up onto the Noun and start singing an awful type of music pop rock blues etc song, like Call Me Maybe in a horrible pitchy noise. Only low number people go to our church, and only because they like to make fun of my dad. He wears a white article of clothing with liquid stains on it and black ripped jeans every day, even at church. During church, he'll tell everyone about me, how I picked my nose when I thought no one was Verb - Present ends in ING, and so on.

Bert: My relative. You're probably wondering... how weird can a baby be? VERY WEIRD. He's just learning how to Verb - Base Form. He has blonde part of body plural and color eyes and a huge

nose. He'll stand up, rip off all his clothes, and start running toward me making a \_\_\_\_\_ Animal sound and then he'll start throwing \_\_\_\_\_ Noun - Plural at me. When I'm holding him, he'll pee on my on purpose, and then start laughing like a \_\_\_\_\_ Animal. He's also disgustingly fat and \_\_\_\_\_ Adjective even for a baby. He eats twice as much as me!

Aunt \_\_\_\_\_ First Name of a Person: She is a scary woman. She has hair as \_\_\_\_\_ color as fire, as big as a \_\_\_\_\_ Noun, and the grossest huge warty nose ever. She always wears \_\_\_\_\_ color eyeshadow - 5 coats, all the way up to her eyebrows, crimson red lipstick and too much \_\_\_\_\_ makeup. Every time she sees me she stands up on her tip-toes so that she looks a lot taller than me, and crosses her \_\_\_\_\_ part of body plural. She stares at me and says, "Wassuh." She doesn't know what "Wassup" means, she just knows it's cool to say it, not to mention she says it wrong. The only thing she wears is \_\_\_\_\_ Animal print and \_\_\_\_\_ color heels. She's also tall and fat.

Uncle Bo: This is Aunt Christi's husband. He has a \_\_\_\_\_ color mustache. He tries to make it look fancy and \_\_\_\_\_ Adjective, but he does a bad job. He wears \_\_\_\_\_ pattern polka dot striped etc all the time with a red bow tie, and he is \_\_\_\_\_ Adverb balding. He has a \_\_\_\_\_ ethnicity accent and he will pinch my \_\_\_\_\_ Part of Body and drone on about how bad I was last time he saw me. He carries a \_\_\_\_\_ Noun with him wherever he goes so that he can get people's attention. Fat belly, huge nose, tiny \_\_\_\_\_ Part of Body. He is a dentist, but has rotting \_\_\_\_\_ color teeth that he hides with his lips as much as possible.

Grandpappy Joe: Mad man! He has a white, wrinkled \_\_\_\_\_ Part of Body, neon green eyes, and red \_\_\_\_\_ part of body plural. Huge cheekbones. He is incredibly bony. His wife died \_\_\_\_\_ Number years back, so he

has slight - no, huge - anger problems. He goes to anger management classes 10 times a week to make sure he doesn't \_\_\_\_\_ Verb - Base Form someone. He has to take Benedrill so that he's calm and drowsy all the time. If we're at his house and I ask for a \_\_\_\_\_ Noun, he screams, "You do not speak unless you're spoken to!" Then he will tell me the long list of \_\_\_\_\_ Noun rules for the millionth time. Then his \_\_\_\_\_ Adjective nurse will shove a pill into his mouth to calm him.

That's just an overview of the weirdest people in my family.
