7. Verb - Base Form

The Fail

Once upon a time there was a _____ Noun who lived in a wood cabin.

He brought his _____ Noun to take a video of the wilderness.

After about 5 or 6 days passed he captured a film of a mysterious _____ Proper Noun that walked like a human.

He called it the _____ Verb - Base Form FOOT from its large foot prints.

As he was looking at his _____ Proper Noun he realized that this figure TRIPPED OVER THE ROCK.

Then the _____ Proper Noun fell off of him and if other people realized that this wasn't a sasquatch this wouldn't be a famous mystery article.

Then he _____ Verb - Base Form the film to the part where the BIG FOOT did trip over and the story has always been a mystery.

"Mu HaHaHAHAHAHA!"
