# body issues

I woke up this morning with a \_\_\_\_\_ Noun on my \_\_\_\_\_ Noun. So then I tried to \_\_\_\_\_ Verb it but then it got \_\_\_\_\_ Adverb - Comparative. I went to see a \_\_\_\_\_ Noun but \_\_\_\_\_ Pronoun said there wasn't anything to do about it. SO I went home to my girlfriend and she \_\_\_\_\_ Verb - Past Tense me. So now I know that \_\_\_\_\_ Noun isn't fun with body issues.
