My holiday

Hello my name is Name . Last week me and my Adjective friend Girls name , went on holiday to Cornwall. We drove there in our private jet and on the way we saw so many awesome things, we even saw a very cute monkey!! The same girls name as before went outside the car and started Verb - Base Form the monkey Adjective ending in ly . I thought this was Adjective and The same girls name as before had already called me a Noun that day so I went for a walk along the beach. On the beach I noticed a Adjective Animal Verb - Present ends in ING out the water. And I leapt upon it alongside a Animal to see how fast I could swim with the Animal . I named the Animal Name and we became Leave blank plz Adjective friends when we met Santa on the way to a place . He was stranded on an island with only a Noun to survive on. Adjective , Santa was too fat for the Animal to carry so he had to kill a Noun and ride on a Animal .
