ALEU'S POV:

I will never forget my sleepover with Lilly and Kate. It was always my little secret with Balto and Jenna. I dont mind telling you.

One day, Kate and Lilly invited me to their Sleepovers. Lets make a long story short. I went to the bathroom to brush my hair. And when I got back, Kate's sister gave me a compliment on my body and eyes.

I blushed and thank her. I began reading a magazine then Kate said I looked Adjective. I thanked her.

Then, Kate began Verb ending in ing my Shoulders.

"Tell me, does that feel good?"; Kate asked.

I moaned slightly. "Yes. Keep going please."; I said. I read my book while she Massaged me. She began going lower and lower. I let out a pleased moan. She then bit my neck.
