# One's College Experience

Galileo's father expected him to earn a major in \_\_\_\_\_Noun\_\_\_\_\_, but he didn't want to. After a \_\_\_\_\_Unit of Time\_\_\_\_\_  
or so, he dropped out and pursued in \_\_\_\_\_Noun - Plural\_\_\_\_\_ and \_\_\_\_\_Noun - Plural\_\_\_\_\_, his preferred field. He ended  
up to be an excellent \_\_\_\_\_Noun\_\_\_\_\_ as well as \_\_\_\_\_Noun\_\_\_\_\_. This proves that even if you drop out of  
\_\_\_\_\_Noun\_\_\_\_\_, you can succeed.
