# Zebra

The fabled Proper Noun Zinkhon, or as more Adverb known, Zebra is said to have been a long time member of our team. Legend has it that Zebra had originally come to us from the front end and allegedly been with Noun for three years.

During her time with our team it is rumored that Zebra held the line at the battle of Man H. During this legendary Noun many claims were closed and roof repair was funded in many homes. It was not all good times however. On at least one occasion Pronoun direct line was compromised and she fell victim to the feared angry home owner, however even this claim was Verb - Past Participle under her prowess.

The taming of The Help Desk was a massive undertaking lend by The Fabled Zebra. It may have taken many days and a massive loss of skittles, but under her leadership The Help Desk has become a point of pride for the team and a vialable option for others.

During her reign as the Proper Noun haired Jessica in the immediate vicinity she preformed many great feats and quests. Not the least amongst these is the resurrection of Proper Noun, Annexation of New Chair, and the acquisition of The Functional Adding Machine.
