It was a \_\_\_\_\_ morning, and \_\_\_\_\_ awoke to the sound of \_\_\_\_\_.

\_\_\_\_\_ was in the \_\_\_\_\_ . "What are you doing over there?" asked Name1. "I'm developing a device to help \_\_\_\_\_." "Cool," said Name1, "but you're going to need some help! Let me call Name2, Name3, and Name4 - they're great at A, B, and C."
