Mummy took me to the bitter dentist

On a Day of the week morning, my mum goes to the bank and my Parent or Carer comes home with Adjective fingers by typing on the Noun in his/her office. It was a Adjective day to go out for a Verb when my mum Verb - Present ends in S a day and takes me to the dentist. It was about time to get my Adjective looking tooth to get pulled out by the dentist's Adjective tools. Whereas, The dentist makes a Adjective face and says "Bye bye, see you next week, I'll pull it then so shoo shoo!". I was so Emotion that I went to shop and Verb - Past Tense all the Fruit or Vegetable - ends in S. I like Same day of week !
