# Minecraft Word Lib: Herobrine

It was a \_\_\_\_\_ day on Minecraft. I had just finished \_\_\_\_\_ the \_\_\_\_\_ of my castle. I went inside to finish the \_\_\_\_\_. Once inside, I noticed it was very \_\_\_\_\_, so I started to place some \_\_\_\_\_. Out of the \_\_\_\_\_ of my eye, I thought I saw a \_\_\_\_\_, but when I \_\_\_\_\_, it was gone. I didn't take notice, though, and kept building. Soon, I found a \_\_\_\_\_ in the side of the castle that I did not make. It went into the \_\_\_\_\_ that was next to my \_\_\_\_\_ castle. I went down the \_\_\_\_\_ . It was very \_\_\_\_\_, and I thought about \_\_\_\_\_ back. I wanted to see where the \_\_\_\_\_ went, though, so I kept going. After a while, I found a very \_\_\_\_\_ circular \_\_\_\_\_. It wasn't very \_\_\_\_\_, but it sure was \_\_\_\_\_. There was a \_\_\_\_\_ in the center. I placed some torches, as it was very \_\_\_\_\_, and went toward the \_\_\_\_\_. It was rimmed with \_\_\_\_\_ blocks. Thinking this was great, I started to \_\_\_\_\_ them. As I mined, a \_\_\_\_\_ appeared in front of me. It said, "THOSE ARE MINE." The sign then turned into Herobrine's \_\_\_\_\_! The blocks suddenly shot \_\_\_\_\_ and crushed me into the \_\_\_\_\_. I managed to get out, but I only had a few \_\_\_\_\_ left. Just as I was about to \_\_\_\_\_ from the tunnel, Herobrine \_\_\_\_\_ in front of me! He killed me, and when I respawned, for a few \_\_\_\_\_ I could see nothing but Herobrine's \_\_\_\_\_. Then it \_\_\_\_\_, and a sign was in front of me. It said, "CONSIDER THIS A WARNING." I was mad at Herobrine for \_\_\_\_\_ all my stuff, so I decided to get revenge. I went back inside my castle, but... the tunnel was gone.
