My Friend's Girlfriend

Mom's always saying that friends will come and go but family is forever. Well, if that's true, I could be in for a tough ride. I mean I love my family and all, but I'm just not sure we're supposed to LIVE together. Maybe it will be better, when we are all in different houses and only see each other on holidays.

I'm surprised Mom's always pushing the "family" message, since she and her sisters don't really get along. Maybe she thinks if she keeps repeating it to me and my brothers so we won't turn out like that.

I think Mom is just trying to make me feel better about my situation with _____ Your friends name anyway. Repeat

Last Your friends name _____ and I have been best friends ever since he moved into my neighborhood. But things have really changed between us recently. And it's because of a GIRL.

_____ Believe me, the last person I thought would get a girlfriend was Repeat Last Your friends name . I guess I've got to give

some credit to Repeat Last Your friends name _____ for finding a girl who actually likes him. But I don't have to be HAPPY

about it. Back in the old days, it was just me and Repeat Last Your friends name _____, and we hung out and did whatever

we wanted. If we felt like blowing bubbles in our _____ flavour _____ drinking liquid _____, that's exactly what we

did. But now there's a girl in the picture things are TOTALLY different.

_____ "That's _____ Adjective _____!" She says whenever we blow bubbles in our Repeat Last drinking liquid _____ again.

Wherever

_____ is, his girlfriend _____ is too. And if she isn't there it SEEMS like she
is. I invited _____ to my house a sleepover last weekend so the 2 of us could get along. But
after _____ hours, _____ called _____ and they were talking
all night. And when the _____ of them are in the same place its even WORSE.

_____ has been sitting on our lunch table, ever since she started dating _____
_____, and our table is all boys. I already mentioned how she's not a fan of the _____
_____ bubble blowing thing, but theres other stuff she dosent like. One of them is the Five-Second
Rule. All the guys at our table agree that if you drop your food and as long as you pick it up within 5 seconds its
ok to eat.

A new twist someone came up with is that you can grab a piece of food and eat it it, even if your not the one who
ACTUALLY dropped it. Ive lost two _____ because of that. This new rule has
caused a lot of problems for us lately. _____ ate a piece of ham that he thought _____
_____ had dropped. It was actually dropped yesterday because I realised that he was going green of sickness.
