# Don't Screw with Her

Do you trust me?" I tied the           Noun           behind her           Body Part          .

"Yes," she breathed on my           Body Part - Plural          .

Don't           Verb - Base Form           with her. You know what kind of           Noun           she's married to. But I flicked my           Body Part           in her           Body Part          . "You shouldn't."

She           Verb - Base Form           and           Verb - Base Form           as I led her in circles around the           Noun          ,

          Verb - Present ends in ING           her sense of           Noun           and spatial orientation. "          Exclamation          ." She

banged her           Body Part           on the           Noun           as I           Verb - Past Tense           her to the bathroom and braced

her           Body Part - Plural           on the           Adjective           countertop. If I couldn't           Verb - Base Form           her in the

window, then I'd           Verb - Base Form           her in front of the mirror and enjoy the show for myself.

I           Verb - Past Tense           behind her and held my rock hard           Body Part           in my           Body Part          .

          Noun           surged through me, and I fought back the urge to           Verb - Base Form           it home, remembering

my           Adjective           intentions for this woman.

"          Verb - Base Form           me. Please." She glanced over her           Body Part           and raised her           Body Part           as

if

trying to \_\_\_\_\_ under the \_\_\_\_\_.

I stepped aside, out of her line of \_\_\_\_\_, and \_\_\_\_\_ toward her, letting my

\_\_\_\_\_ over her \_\_\_\_\_ skin. I swallowed a \_\_\_\_\_ as her

\_\_\_\_\_ curled on the \_\_\_\_\_ tile floor. Then, without \_\_\_\_\_ her,

I leaned over and \_\_\_\_\_ into her hair. "Patience, \_\_\_\_\_ . You'll get what you need

."

In the mirror, I watched her \_\_\_\_\_ part as she let out a soft \_\_\_\_\_. Her breasts

\_\_\_\_\_ as she \_\_\_\_\_, and \_\_\_\_\_ nipples demanded my attention. I

grabbed a \_\_\_\_\_ and \_\_\_\_\_ it across those sweet buds.

" \_\_\_\_\_ ...." She \_\_\_\_\_ a \_\_\_\_\_ on her reflection.

I \_\_\_\_\_ the \_\_\_\_\_ down her back, then slipped it into the \_\_\_\_\_ between her

thighs and made \_\_\_\_\_ over her hard \_\_\_\_\_.

"Oh God." She \_\_\_\_\_ and \_\_\_\_\_ her \_\_\_\_\_ against my

\_\_\_\_\_.

Just about lost it right there, but I seized my \_\_\_\_\_ Noun and redirected my \_\_\_\_\_ Adjective \_\_\_\_\_ Noun  
toward pleasing \_\_\_\_\_ Name of Female. "I love making you \_\_\_\_\_ Verb - Base Form." All the \_\_\_\_\_ Noun - Plural  
I'd f\*cked--without exception--told me they loved it, too, but for some \_\_\_\_\_ Adjective reason turning my  
client's \_\_\_\_\_ Noun into a slippery \_\_\_\_\_ Adjective goddess mattered more to me than any of them.

"Never stop."
