# Water Spewage

\_\_\_\_\_ Noun walked into her home to a frightful sight. Water soaked the floor and her cat had a look that could kill. "What!?" she asked as if her animal could answer. "It isn't as though the water smells this time?" Her \_\_\_\_\_ Adjective animal was not amused and \_\_\_\_\_ Verb - Past Tense off to the corner, wondering how to he would seek \_\_\_\_\_ Noun on this human. If a cat knows to shut off water to the outside pipes before winter, why can't a 30 year old human?
