SpongeBob is at the Krusty Krab and he is making a Krabby Patty. When he finishes making it, Mr. Krabs comes and tells him: "you're fired", and SpongeBob starts crying, and floods the Krusty Krab. Mr. Krabs said the reason why \_\_\_\_\_ Pronoun firing him is because he found out he can save a nickel if he cuts off SpongeBob's salary completely. Originally he wanted SpongeBob to work for free, but he found out he can't because it's illegal and he would lose his vendor's license. Squidward tells him he come back "as a customer", which makes SpongeBob cry again. Then, Squidward congratulates Mr. Krabs for his \_\_\_\_\_ Noun, and asks him who is going to make the patties, and Mr. Krabs tells him that he was a "golden spatula fry cook" in the navy, so \_\_\_\_\_ Pronoun was going to cook.

Patrick tells him that "being fired is the best gig he knows" and tells SpongeBob he was going to come back the next day to tell him the steps of glorious unemployment. The next day, SpongeBob appears depressed, and Patrick tells him the 3 steps of glorious unemployment or (as Patrick calls it) "fun-employment", the steps were: breakfast with Squidward, Taking a Mid-Morning Siesta, and Free Lunch with Friends. First, they go to Squidward's house and step on his plants. So, Squidward throws food at them to go away. That is how they get their breakfast. Next, Patrick and SpongeBob sticks themselves to the rock, but SpongeBob falls down. Then, they go to Sandy's Treedome, where she is doing a psychological test, to determine how much stuff (she doesn't even know what this "stuff" is) they eat, for free. Sandy then tells SpongeBob that he needs to get a job, and Spongebob tells Patrick that "unemployment

" may be fun for him, but, he needs to get a job, and turns from a depressed sponge, to a happy, joyful sponge again, and goes looking for a job. The first job SpongeBob arrives at is the Weenie Hut where he gets employed by Mr. Weiner. However, Mr. Weiner soon fires SpongeBob due to him making Weenie Patties instead of weiner dogs. Next, SpongeBob goes to Pizza Piehole where he gets hired by Pizza Pete to make pizzas, but SpongeBob makes a Pizza Patty, much to Pizza Pete's disapproval, resulting in SpongeBob getting fired again. Next, SpongeBob goes to Taco Sombrero he gets hired and makes a Taco Patty, and Seior Taco asks a customer to taste it, Pilar volunteers, but when he takes a bite the taco meat gets into Billy and Frank's faces, so then he gets fired again. SpongeBob then cries a excuse to Seor Taco, but he just strictly fired him. Next and shortly, SpongeBob crying to go to Wet Noodle, but he got fired last time again, and Noodleman throws the Noodle Patty on SpongeBob, causing him to insult the restaurant. But he starts crying going home. But as he went home, Gary asks SpongeBob for snail food, but he says he doesn't have any so he makes a homemade snail food for Gary. SpongeBob tastes a bit of the homemade snail food he creates, saying it tastes great. Gary eats the food saying it's the "best food he ever tasted".

Then a knock comes on the door which SpongeBob answers. The Hotdog Minions trap him in a hot dog bun. It turns out Mr. Weiner kidnapped him and promoted him because of his idea. SpongeBob can't leave because he got chained until Pete comes along and frees him with Pizza Sauce then kidnaps him with bread. Soon it's a war against all the owners of each restaurant until the Killer Krabby Patty defeats them and takes him back to the Krusty Krab where angry customers are leaving because of Mr. Krabs cooking. Mr. Krabs thanks Killer Krabby Patty for bringing SpongeBob back which he reveals to be Squidward in disguise. Squidward admits that even though

he hates SpongeBob, he hates the smell of burnt Krabby Patties even more. He begs SpongeBob to come back and become a fry cook again. Mr. Krabs apologizes to SpongeBob for firing him in the first place since the Krusty Krab is falling apart without him, he rehires SpongeBob. SpongeBob cleans the place and gives Mr. Krabs and Squidward a new suit and dress. To makeup for the nickel Mr. Krabs lost, he installed a pay toilet which costs a nickel to use. The episode ends.
